

Success Guide: ChatGPT

ASK THE **AGENT**

Scripts & Video Strategies to Increase Leads and Sales

Introduction

ChatGPT can be a powerful tool for real estate professionals looking to generate leads, nurture client relationships, and close more deals. This guide provides ready-to-use scripts, video ideas, and best practices for leveraging AI to enhance your real estate business. Ask the Agent has ChatGPT built in, making it even easier for realtors to streamline their workflow and maximize efficiency.

1. Lead Generation Scripts

Cold Outreach via Social Media

DM Script for Instagram/Facebook:

"Hi [Name], I saw that you're interested in [neighborhood or home buying]. Are you currently looking for a new home, or just exploring the market? I'd love to provide insights or answer any questions you might have!"

LinkedIn Outreach Message:

"Hi [Name], I specialize in helping professionals like you find their dream home in [City/Neighborhood]. If you're thinking about buying or selling, I'd love to offer some market insights. Let's connect!"

Follow-Up Email for Interested Buyers

Subject: Still Interested in Your Dream Home?

"Hi [Name], I wanted to follow up on our recent conversation. I've found some amazing properties that match your preferences! Let's set up a time to go over them. When would work best for you?"

2. Video Content Ideas for Social Media

Educational Videos

- **"3 Mistakes First-Time Homebuyers Make"** – Explain common pitfalls and how to avoid them.
- **"The Best Time to Sell Your Home"** – Share seasonal market trends.

3. ChatGPT-Powered Response Scripts

Handling Buyer Objections

Objection: "I want to wait for the market to cool down."

Response: "I understand! Many buyers feel the same way, but waiting could mean higher interest rates or lost opportunities. Let's discuss what's best for you based on market trends."

Converting Leads into Clients

Inquiry: "I'm just browsing right now."

Response: "That's totally fine! I can send you some listings that fit your preferences so you can explore at your own pace. Let me know what style of homes interest you most!"

4. Leveraging ChatGPT for Social Media Engagement

- **Daily Story Polls:** "Are you looking to buy in 2025? Yes/No" (Follow up with DMs!)
 - **Q&A Sessions:** Use ChatGPT to generate quick, engaging answers for live Q&As.
 - **Personalized Responses:** ChatGPT can help craft customized comments to engage potential buyers.
